September Means News Classes at WALL

Dear Members,

I hope you are enjoying these final days of summer, and encourage you to come back to WALL in the Fall. This newsletter includes the classes we have scheduled for this coming semester. I think you will agree when I say, there is

something for everyone. Don't forget you can register for as many courses as you wish for the 2016-17 school years or you can sign up for one semester at a time. You can also take just a single course.

We included some photos from our 5th anniversary celebration, held this spring. Vince Coughlin was the recipient of our first annual recognition for volunteers who make the academy possible. We look forward to giving out many of these awards in the future.

As we move into our 6th year, we are thrilled to welcome all of our members to the Wesleyan Campus this fall.
