President's Letter

Dear WALL Members

The end of the Fall semester is quickly approaching. For November there are three courses, each of which will be presented both live and on ZOOM.

Elsewhere in this newsletter is the information on the November courses as well as a list of courses for the Spring 2021 semester.

I've noted that 50 of our members have memberships that expire the end of December. In order to keep WALL viable, I ask that you consider renewing your membership when registration opens in mid-November.

I hope everyone stays well, and enjoys the upcoming holiday season.

Vince Coughlin
